

EDITORIAL COMMENT

Dear readers of *Építőanyag–JSBCM*,

The following letter was sent to the Editorial Office by Professor Kapustin, one of our earlier authors.

Dr. Adorján Borosnyói
Editor-in-Chief

Prof. Dr. László A. Gömze
President of the Editorial Board

Dear Colleagues,

In our country, Ukraine, more than three months continues the civil war. During a battle on June 13, 2014, laboratories of my Department of Chemical Technologies and Engineering at our University, Priazovskiy State Technical University, were destroyed, equipment was broken.

We appeal herewith to you for help.

If you have any old unwanted instruments, chemical ware, reagents – please send them to us, it would be greatly appreciated. To restore the laboratories, we need everything.

Our address:

Department of Chemical Technology and Engineering
Priazovskiy (Azov Sea) State Technical University,
University, 7
87500 Mariupol, Ukraine

We also welcome any financial assistance for the repair, purchase of furniture and equipment. Your donation can be sent to the following account:

Kapustin Oleksiy,
Fifth Third Bank
38 Fountain square plaza, Cincinnati, Ohio 45363
Routing or ABA number 042000314
Swift Code: FTBCUS3C
Account number 7026655451

We will be very grateful for any help!

Sincerely,

Prof. Alexey Kapustin
Head of Department of Chemical Technologies and Engineering,
Priazovskiy State Technical University
